

On this Monday's radio show it's the return of world-renowned sculpture artist and DJ [Mary Jo Bole](#)!

After a busy schedule of art shows in Los Angeles and elsewhere, Mary Jo takes a musical breather to play us

**A Day In Music:**

a radio show of music for the four parts of your day...

- **Wake Up**
- **Eat**
- **Evacuate**
- **and GET THE HELL OUT!**

MJ's incredible works in sculpture, books, ceramics, and installation are not to be missed (see her [website](#) ) and her previous two [Genie Can Do!](#) [radio shows](#) have given us some of our favorite Sound Of Plaid radio moments.

**Tune in!**
