

Ahhh, a Sound Of Plaid theme worth saving up... **"Cream Of The Crap"** is the section of records in the ECC archive that holds the best thrift scores of all: album that only cost a dollar but ended up worth quite a bit more. Just to make this episode creamier (and hopefully not crappier), we invited some friends over to join us -- thanks to all of them, and especially to Tumbleweed (KALX), Robert (Kreamy 'Lectric Santa), and Owen (Club Vertigo) for adding their own crap to they... uh... pile.
