

The Sound Of Plaid episode 2014.03.17: **Special Guest Titonton Duvante**

On this show we welcome electronic musician, DJ, producer, and composer **Titonton Duvante** for a long overdue interview. Considering our great interview with **Ed Luna** (2013.05.20) revisiting Columbus Ohio's early days of electronic music and techno, it's high time that we drag in the members of the seminal band **Body Release** to speak for themselves. Mike Textbeak will be the next, but first up is Tintonton in advance of his live PA at the **Future Maudit** show March 28 (2014).

From Titonton's website :

...through a multifaceted career as a composer, recording artist, producer, remixer, record label owner and DJ, Titonton Duvante continues to evolve creatively. As a DJ known for

blurring the boundaries of electronic music genres, Titonton deconstructs, blends and rebuilds beats with his special brand of funky turntablism.
