

In order to expand the Wheel Of Mashup, I downloaded the [Rolling Stone 500 Greatest Songs Of All Time](#). I'm almost surprised that the perennially top-rocking Stairway To Heaven only made #39. I'm also surprised I hadn't used any Led Zeppelin in my monster mashup set of source material... huh! Once I did, I discovered one other thing...

...it goes disturbingly well with Britney Spears:
