

The ever-hustling [Kickin' Crew](#) responsible for the [Inspiration Manifestation](#) shows has another great one planned:

[The Frequinox!](#)

They've invited The ECC to participate once again, and this time they'll get their wish (and our wish too) of a

Thimbletron show.

Plus other bands (Relentless Mules (bluegrass!); Teen Fiction, Shank Bones), DJs (Heady Ruxpin; Kenny Lectro), art, costumes, live painting, drink specials, and a lot more --

these shows are always PACKED!
