

**Our first live performance of 2010!** Although we'll be generally lying low over the next few months to work on our album, we invite you to spin the Wheel Of Mashup and get your year started off right. **Spin the wheel, make a mashup!** This line-up offers a range of musical variety we usually only see at European shows, which give us an opportunity to
**take a few chances**
too. Along with our giveaways of
**free ECC All-Access Mash lanyards and CDs**
to everyone who spins our wheel, there's
**free**
**gifts for the first 50 fans**
and more...
**see you there!**
