(<u>Archive</u> of this show now available)

When <u>KAOS Radio Austin</u> DJ <u>Slander Bob</u> told us he'd be airing an artist showcase on The ECC, we were flattered -- but then we heard the <u>i</u> <u>ncredibly comprehensive two-hour show</u>, and we were

floored!

It's a must-hear for the die-hard ECC fan, so this week we're re-airing it on our own radio show, The Sound Of Plaid.

Listen this Tuesday (02/16/2010) on FCC Free Radio (8p-10p PST // 11p-1a EST // 0500-0700 GMT) or listen Thursday on DFM Radio International (9a-11a PST // 12-3p EST // 1800-2000 GMT)

Speaking of our radio shows, we just made the archives a lot prettier and easier. <u>Check out</u> the new look!
