

The Sound Of Plaid owes something of a debt to the vinyl slingers of [Lost Weekend Records](#). For more than a decade

Coolbrother Kyle

has kept the platters spinning out the door of his low-headroom headquarters and into the appreciative hands of records junkies like us. We've certainly spent plenty of time in the store already -- so

why not bring the show there too?

(Saves us lugging more heavy vinyl back to the studio after all...)

And with the [Lost Weekend Records Labor Day Parking Lot Record Swap](#) happening this holiday weekend, it seemed the perfect excuse. Coolbrother Kyle will be our special guest as we compare and share Columbus-specific absurdities and rarities, plus some of our fave finds we've snatched from Lost Weekend in the past. So

join us in-store

Sunday September 1st

(tomorrow!)

from 2p-4p as we record this week's show at the store and pretend like it's actually Monday.

See you there!
