

Evolution Control Committee's 'All Rights Reserved': Old school mashup

Andrea James at 1:41 AM Friday, Feb 11, 2011

Andrea James is a writer, producer, filmmaker, and activist for consumer issues (including hair removal & transsexual transition) plus LGBT film & families. She's a long-time Wikipedian and recommends noteworthy films & books.

Kind words about our new album are starting to come in -- this morning from the blog's blog [BoingBoing](#) and last week from the perennially awesome record store [Aquarius](#)

Anywhere else? Let us know!
