When [KAOS Radio Austin](#) DJ [Slander Bob](#) told us he'd be airing an artist showcase on The ECC, we were flattered -- but then we heard the [incredibly comprehensive two-hour show](#), and we were *floored!*

It's a must-hear for the die-hard ECC fan, so this week we're re-airing it on our own radio show, The Sound Of Plaid.

Listen this Tuesday (02/16/2010) on [FCC&nbsp;Free Radio](#) (8p-10p PST // 11p-1a EST // 0500-0700 GMT)  
or listen Thursday on [DFM&nbsp;Radio International](#) (9a-11a PST // 12-3p EST // 1800-2000 GMT)

Speaking of our radio shows, we just made the archives a lot prettier and easier. [Check out the new look!](#)
