

This week's guests are Academy Award-nominated documentary filmmaker [SAM GREEN](#), accompanied by musician

[DAVE CERF](#)

(alas, Dave has canceled). Not that we'll be talking about award nominations -- instead, both of them bring an obsession shared by your radio host TradeMark G.:

[The Voyager Golden Record](#)

, the ultimate crate-digger dream and the subject of The ECC's performance,

[Space: The Vinyl Frontier](#)

It's also an appropriate subject on the recent 49th anniversary of the [first man in space, Yuri Gagarin](#).

Many chances to hear the show, and if you can't make the times below, you can hear it at [The Sound Of Plaid Archives](#) later in the week.
