

Our guest for this week's Sound Of Plaid radio show is [Wobbly](#) (aka Jon Leidecker).

Wobbly has had a long music career as a musician equally adept at sampling versus non-sampling music. Recent work has focused more on collaborations, including [some with The ECC](#)

such as the

[Beatlerape Live show](#)

,
and a

[new album on Illegal Art](#)

collaborating with

[People Like Us](#)

. Wobbly is also a

[frequent DJ](#)

, flaunting a

wikipedic knowledge of music

at events often in galleries/museums. One such museum asked him to go further, and the result is

[Variations](#)

, a five part (so far) series of one-hour podcasts exploring the history of sampling, collage, and the general concept of remixing. Impress in both scope and detail, It is quite possibly

the most in-depth series of its kind.

On this week's show, we talk to Wobbly about Variations and listen to some of the incredible and rare music from it.

Many chances to hear the show, and if you can't make the times below, you can hear it at

[The Sound Of Plaid Archives](#)

later in the week.
