

Congratulations to **Matthew Bate** and Closer Productions in Australia! After visiting ECC studios and <u>guesting on The Sound Of</u> Plaid, they've completed their documentary

"

Shut Up Little Man: An Audio Misadventure

"

about lovable miscreants

Raymond & amp; Peter

. It's started on the festival circuit and even made it into

Sundance!

Their main trailer is a collage of various interviewees reciting bits of R&P's drunken dialogues; The ECC's TradeMark G. is right there at the beginning. Looking forward to seeing the full film!
