

Dear TheECC,

Your video, [Whipped Cream Mixes: Rebel Without A Pause](#), may have content that is owned or licensed by UMG (Universal Music Group). [...]

Admittedly we're no strangers to seeing notices like the above, but it's no less aggravating. At least we're getting a warning shot with this one... whether it's for the Herb Alpert or Public Enemy content, we don't know. What does it mean? Simply that your time to see our video (on YouTube, anyway) for our 15-year-old mashup-before-there-were-mashups may be running out:
