

Hello, Austin Texas: Although we've never managed to make a show happen there, it seems Austin already has a taste for our brand of evolved mashups -- or soon will. That's thanks to [K](#)

[AOS Radio Austin](#)

over-active DJ

[Slander Bob](#)

,

who selected The Evolution Control Committee to feature on his

[12/13/09 Artist Showcase](#)

-- 2 hours amidst an astonishing

14 hour shift

(!) he fills starting early Sunday mornings. The feature airs 3AM-5AM CST early Sunday, December 13, 2009 -- just a few hours from now -- so we're hoping those who miss it will be able to listen or download it from the

[show's archives](#)

after it airs.

He certainly did his homework -- we offered him brand new unreleased tracks from our upcoming album, and he'd already gotten them! Now that's **our** kind of radio show host...
