

The Sound Of Plaid guest for January 26th, 2010: [Moldover](#) ! Hailed as the **Godfather of Controllerism**, Moldover has inspired legions of musicians, producers, artists, engineers, hackers and music fans world-wide. Listen to this episode and find out why, as he performs two live sets on his [Mojo](#) , that sexy looking device pictured to the right.

Listen below, or [download](#) for later:
