

On July 28th, 2010 The ECC was a guest on Big City Orchestra's [UbRadio Salon](#) radio show once again. The peculiar theme of [episode #133](#)

:

"Digital? DIG-IT-ALL!"

The ECC interpreted that with live cut-n-pasting using various songs with "Dig" in the title or lyrics, with occasionally warm sine waves from a vintage tone generator. dAS also surfed the sine wave with his own tone gens, plus contact mic'd turntable and recorded sound effects of... digging. And Ninah glued everything together with a background of drones and chords.
