

On July 28th, 2010 The ECC was a guest on Big City Orchestra's <u>UbRadio Salon</u> radio show once again. The peculiar theme of <u>episode #133</u>

"Digital? DIG-IT-ALL!"

The ECC interpreted that with live cut-n-pasting using various songs with "Dig" in the title or lyrics, with occasionally warm sine waves from a vintage tone generator. dAS also surfed the sine wave with his own tone gens, plus contact mic'd turntable and recorded sound effects of... digging. And Ninah glued everything together with a background of drones and chords.
