

The Sound Of Plaid episode 2013.02.04: **Special Guest AUTHOR & PUNISHER (Tristan Shone)**

Our guest Tristan Shone, better known as [AUTHOR & PUNISHER](#) , is a purveyor of a peculiar brand of industrial doom 'n' gloom metal through power electronics. It's his machines that caught our attention: first his line of **drone machines** followed by the more recent dub machines, all **shiny machined metal** that hides controllerist guts used to trigger years of distorted square waves. They've got a visceral beauty that's more at home on the assembly line than the stage.
