

The Sound Of Plaid episode 2013.09.02: **Live at Lost Weekend Records with Coolbrother Kyle**

The Sound Of Plaid owes something of a debt to the vinyl slingers of [Lost Weekend Records](#). For more than a decade

Coolbrother Kyle

has kept the platters spinning out the door of his low-headroom headquarters and into the appreciative hands of records junkies like us. We've certainly spent plenty of time in the store already -- so

why not bring the show there too?

(Saves us lugging more heavy vinyl back to the studio after all...)

So we joined the [Lost Weekend Records Labor Day Parking Lot Record Swap](#) and welcomed Coolbrother Kyle as our special guest, and compared and shared Columbus-specific absurdities and rarities, plus some of our fave finds we've snatched from Lost Weekend in the past.

Our first ever live & public Sound Of Plaid!
