

Congratulations to **Matthew Bate** and Closer Productions in Australia! After visiting ECC studios and [questing on The Sound Of](#) Plaid, they've

completed their documentary

"

[Shut Up Little Man: An Audio Misadventure](#)

"

about lovable miscreants

[Raymond & Peter](#)

. It's started on the festival circuit and even made it into

Sundance!

Their main trailer is a collage of various interviewees reciting bits of R&P's drunken dialogues; The ECC's TradeMark G. is right there at the beginning. Looking forward to seeing the full film!
