

Burning Man's 10th annual [Decompression / Heat The Street Faire](#) approaches!

Last year The Evolution Control Committee was giving a packed San Francisco crowd their first glimpses of our amazing [VidiMasher 3000](#) . In the year since we've been improving and refining the VidiMasher into the formidable mashup machine that it's become, plus we made a [new Wheel Of Mashup](#) adding more music and lyrics plus prizes!

So come spin the Wheel Of Mashup yourself at 7:45pm to 8:30pm on the 19th Street stage -- want more? Try SEVEN more stages of bands and DJs, plus the work of hundreds of great artists and the company of thousands of great people!
