Regular listeners of our radio show, take note: The Sound Of Plaid no longer airs on FCC Free Radio! Instead, tune in to DFM Radio International every Tuesday night for our *LIVE* br oadcast of bizarre records, frequent guests, fun show themes, and many rare ECC tracks too! DFM will still air their Thursday repeat of our show, and you can also hear our show (at least for now) on Shouting Fire... the only schedule change is our Tuesday show moving from FCC Free to DFM.
