

The ECC returns from a successful venture to the northeast:

TORONTO: The debut of our performance " [Space: The Vinyl Frontier](#) " at the [Deep Wireless Festival](#)

went very well, and earned us some very positive reactions and feedback. Mucho documentary materials were juggled live via vinyl, thanks to Ms Pinky's

[Interdimensional Wrecked System](#)

(quite appropriate for the intergalactic Voyager Golden Record). We hope to acquire a recording of the show from Deep Wireless in the future, but until then you can enjoy

, including a nice video clip:

Culture jammer [TradeMark G.](#) (aka Mark Gunderson) did a half-hour-ish set following the Deep Wireless ensemble / PORTRAITS IN SOUND 2 performance, with Kaos pad and tone arm and laptop etc. in tow.

CINCINNATI: [DJ Empirical](#) invites The ECC / DJ Pantshead as a [guest DJ at Schwartz](#) , the night he and The Librarian run at the Clique Lounge. In addition to the

[swell flyer/poster](#)

he made for the night, he also took some video:
